<b>AVID Club</b>	during the summer. I have three years in the AVID Club and about five years on the Advancement Via Individual Determination program. The class has prepared me for my life after high school. The Club has allowed me to practice activities such as fundraisers, trips, and even community service. In the AVID club we have performed services such as can food drives, toy drives, blanket drives, and concessions. The AVID club also accumulates goods for our troops. We also sent them cards to encourage them and thank them for being such great heroes to our nation. I have three years performing these activities with the club and each time we get better and bigger.	Sep 2005 - Jun 2008
<b>Tennis Team</b>	On the Tennis team I have experienced new things that have enriched my character. I have traveled for tournaments with the team experiencing victory and defeats. Tennis is a year round sport and we have played in the extreme cold and under the humid and hot sun as well. We traveled around El Paso to play each school and we play at least twice per week. I form part of the Varsity team since I was a sophomore. I play girls singles #1 and I have traveled with the team to Amarillo, Carlsbad and Dallas to play in great tournaments.	Sep 2005 - Jun 2008
<b>Go Center</b>	As a member of Go Center we assist under classmates with any information about college.
