PA DER'S COMMENTS

There are many times in my life that I would have stage fright. Yet, there was times when I wanted to be the one to stand up and teach others. I enjoy sharing what I have learn with others. It doesn't matter how I'm feeling, when I'm around kids they just have a way of making me feel happy. Therefore, I hope go into the field of Education.

AWARDS AND ACHIEVEMENTS

Honor Roll	I have been on the honor roll since my freshman year in high school.	Oct 2006-Oct 2007
-------------------	--	-------------------

GROUPS AND ACTIVITIES

Yearbook	I create/design pages for my high school yearbook. This year I designed the football, soccer, and student life pages in the yearbook.	Oct 2007
Urban Ecology Center	I also volunteer there as a Saturday Steward at Milwaukee Urban Ecology Center. On Saturday, we put wood chips on the roads and pathways of the Riverside Park.	Mar 2006 - Oct 2007
Peer Madiation	I am a trained peer madiator at my high school.	Nov 2006 - Nov 2007
Upward Bound Math and Science	UBMS is a pre-college program designed to help students who are planning to go to college. I go there for tutoring and get homework assistance, they also offer pre-college workshops for us each month.	May 2007 - Nov 2007
volunteer at Second Harvest	As part of the summer program with Upward Bound Math and Science we volunteered at Second Harvest. There we checked and labeled pizzas that would go to local food pantries.	Jun 2007
Special Olympic	During my sophomore and junior year, I volunteered with the special Olympic for MPS. In my sophomore year, I helped with the basketball and baseball tournament. In my junior year, I helped with the bowling tournament.	Mar 2007 - Feb 2008
Upward Bound Math and Science-commuuty service	In the fall of 2007, we went to Keep Greater Milwaukee Beautiful and learned about recycling. Then we started service learning project, where we collected cell phones and ink cartridges. After we collected enough items we took them to Keep Greater Milwaukee Beautiful recycling facility.	Dec 2007
Newspaper	My school recently started a school newspaper and I joined it. My job is to write articles and help edit others work. I also stay afterschool to work on projects. So far I have written two articles for the newspaper. In one of them I talk about our new "no pass" school rule. In the other one I write about events that is taking place in our school.	Mar 2008
Debate Team	This past April I took part in my first debate competition since joining the team. In debate we compete with students from other high schools. Next fall the debate topic is Global Health Service.	May 2008
